

3rd Annual
SIM Houston Charity Sporting Clays Tournament
Saturday, October 28th, 2017
American Shooting Centers
16500 Westheimer Parkway, Houston, TX 77082

The Houston Chapter of the *Society for Information Management* (SIM) – Houston’s premier network for IT Executives wishes to extend a special **THANK YOU** to our great sponsors of our annual SIM Charity Sporting Clays Tournaments. Through your generous donations, SIM Houston raised over \$40,000 for our local STEM initiatives. All proceeds go to support the Science, Technology, Engineering, Arts and Math (STEAM) education initiatives in the Greater Houston Metro area.

The Third Annual Houston SIM Charity Sporting Clays Tournament will be held on **Saturday, October 28, 2017** at the **American Shooting Center**. We experienced great fall weather last year and we ordered a repeat for this year. We are very excited about hosting our tournament again this year!

Our sponsorship packages offer businesses, service providers, and individuals an opportunity to gain exposure to many of Houston’s IT decision makers and help sponsor the philanthropic efforts of SIM’s Houston Chapter. Your generous charity sponsorship contributions are distributed amongst organizations or schools supporting local IT talent in junior high/high school, college, and in technical schools.

You may find the following information valuable in making your decision to become a tournament sponsor:

- The Houston Chapter of SIM has over 200+ members of which 85 percent are CIOs, Senior VPs and VP IT/IS, and IT Directors. The remaining are IT Management and Service Providers.
- SIM Houston consists primarily of technology executives.
- We are expecting more than 125 participants including SIM CIO members and perspective Executive members.
- Tournament participants are CIOs; their direct reports and/or peers in their organization; and other high-level business executives. The other category of attendees comes from the sponsor and vendor team champions. Sponsor and vendor team champion invitees are typically senior level and account managers from their company; customers they want to offer a round as a “thank you”; or prospects that they are “courting” and want to develop a closer relationship by offering a unique opportunity to participate in a shooting clay event.

Don't be left out! The sponsorships and teams are on a first come basis and you need to reserve early to secure your spot.

Thank you for considering to be a sponsor of the 2017 SIM-Houston Charity Sporting Clay Tournament and helping support our charity fundraising efforts.
